**Congratulations! You have passed the Sun Certified Java Developer certification with a perfect score of 400 points!**

You are among the elite 1% of certified Java professionals who have gone on to achieve the Java Developer certification.

Your certificate has been qued for shipping. Look for a certificate in the mail in about 2 weeks. Thank you for all your efforts with this certification, and good luck.

Feel free to use the attached logo on your email signature, business cards, and stationary. Hi resolution versions of the logos can be found on the certification portal at <http://www.certmanager.net/sun>

Thanks,
